Ronnie Jett, East Feliciana  
Russell Wilson, Rapides  
Ryan Seal, Washington

Louis Hebert called the Zachary Taylor Parkway Association Meeting to order at 11:11 a.m.

Maggie Miller called roll.

Julie Fuselier gave the financial report. Ms. Fuselier reported that the finances are in QuickBooks and we are ready to move forward.

Mr. Hebert reported the progress that was made with membership on the board. Mr. Hebert also expressed that he had not spoken with anyone in St. Helena Parish or Tangipahoa Parish. He asked A.J. Roy, III to assist in contacting a few people from Avoyelles Parish and to remind them that the only requirement to serve on the board is to be an active member.

Mr. Hebert requested that everyone continue to recruit not only members, but members that would be willing to serve on the board.

Mr. Roy mentioned that he will make a note to contact William D'Aquilla before the next meeting for association board members.

Mr. Hebert gave the membership report update. He reported that thirty members have renewed to date for a total of \$6,150.00. Mr. Hebert also requested that the Association Management Strategies team divide the membership list by parish and send to each board member so that board members can individually contact people within their communities. He reminded board members to please pay their dues.

Mr. Roy suggested follow up calls to the banks along the parkway that we sent letters to. He said to ask for the public relations or marketing person to solidify the letter.

Buck Vandersteen asked the board if the association was current with their payments to Association Management Strategies. Ms. Fuselier answered yes and asked how they want to proceed with the

signing of the checks. Mr. Hebert suggested the checks be mailed to him from now on. If the boards begin having in person quarterly meetings, the checks will be brought to each meeting to be signed.

Mr. Hebert declared the next Zachary Taylor Parkway Association meeting date as August 11, 2021.

Mr. Hebert adjourned the meeting at 11:32 a.m.
